POLICE AND ARMY PRE RECRUITMENT TRAINING

REPORT

As per the vision and mission, the institution has assiduously strived to provide assistance to grab jobs and inculcate skills to facilitate and create opportunities for their employment. By considering the need of the local community and scarcity of physical and infrastructural facilities in the surrounding area, the institute strives to give these facilities through Pre Recruitment Training Police Academy. It strengthens the physical and mental fitness of the students. Considering the rural background and the financial constraints of the students the institute provides training on free of cost basis. The contribution of the institution has been appreciated by the stakeholders.

Before the commencement of the activity, printed pamphlets were distributed to the students in the class and for local community through newspaper vendors. Apart from this, institution installed flex boards at public places in nearby villages for advertisement and to create awareness among the stake holders.

After this, physical test and written examination of interested candidates are conducted by the institute. In the physical test, information about the age, weight and height of the students is taken. Students qualified in the physical test and written examination are selected for admission for Police/Army Pre Recruitment Training Academy. Admission forms are filled from selected students along with the supporting documents.

Schedule of the basic training programme is notified to the students through notices and Whatsapp groups. Students are advised to join training session in the morning at 07:00 am. to 09:00 am. The institute has appointed trainer to train the students. As part of the training, a schedule is made for the students for their practice and study. Every morning, warm up, stretching, running and shot-put, is practiced every day except Saturday. Every Saturday morning, cross country practice is taken between 7:00 am to 8:00 am. Students go for cross county outside the college campus.

The institute provides following facilities to the students for training-

1. Training through expert and experienced coaches.
2. Experienced director of Physical Education guides the students regularly.
3. Various books are made available to the students through the library..
4. Internet facility and study center are also made available to them.
5. Outdoor ground facilities with 400 meters running track.
