Problem Solving Methodology

A Report

Department of Commerce uses various methods for addressing various problems which students face during teaching and learning process. Difficult topics like Units Ratio Analysis and Intersection Analysis were revised and the difficulties of the students were resolved. A total of 30 students of B.Com Part 3 participated in this session.

Powerpoint Presentation is another method which department uses for better understanding on the part of students. On Thursday dated 18/04/2024 B.Com Part III students were taught Ratio Analysis and Paragraph Analysis through. These two units were revised. The Presentation was attended by Part III students of Commerce Department.

Teaching Methods and Innovations Introduced

Use of ICT in Teaching-Learning Process Through PPT
