Student Centric Methods

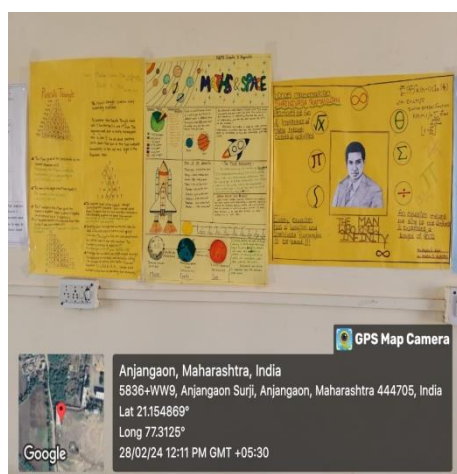

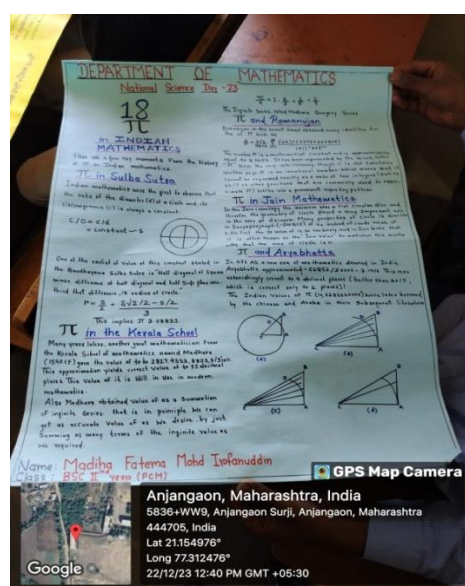

➤ Participative learning

- **Participation in university and College level competition, workshops**
- **Seminar and Project Assignment**

Participative Learning

➤ Participation in University and College Level Competition

Participative learning helps in the empowerment of students by allowing them to participate in the learning process. Students from Mathematics department participated in 'Mathematical Poster Competition' on the occasion of 'National Mathematics Day' on 22th Dec 2023 and 'National Science Day' on 28th February 2024. To enrich the subject knowledge, students are motivated to participate in seminar activity.
